Shamrock Thoroughbreds offers **SINDAGAN** for syndication

SINDAGAN PROFILE

Shamrock Thoroughbreds are offering an opportunity to become involved in the fun and enjoyment of racehorse ownership through the syndication of Sindagan.

Sindagan is a 3yo gelding by exciting sire Mehmas out of Sindhia and this progressive type is currently rated 95. He broke his maiden at the Galway festival over 7 furlongs and produced a career best effort when finishing 3rd in the €150,000 Sovereign Path Handicap at Leopardstown on Irish Champions Weekend. He is ground versatile having performed extremely well on good and soft ground and his optimum trip appears to be a stiff 7 furlongs or easy mile.

"This is a high class horse with proven Premier Handicap form in the book. He vetted extremely well at the sales and is a good looking horse with plenty of size and strength. He could develop into a Stakes performer next season and has a big future ahead of him. He will compete at all the major flat meetings in 2027 and will give his new shareholders a lot of fun along the way.", Stephen Thorne, Managing Director of Shamrock Thoroughbreds.

WHY JOIN THE SYNDICATE

The main reason for purchasing a share in Sindagan is to get involved with a high class performer who has the ability to win a valuable premier handicap and could develop into a Stakes performer next season.

The horse will go into training with Stephen Thorne, Dunboyne, Co. Meath. Stephen and his Team won the 2024/2025 All-Weather Trainers' Championship and has won some valuable and prestigious races in the last 2 years including the Listed Ruby Stakes with Jagged Edge, the €100,000 Autumn Fillies Handicap with Pink Oxalis and the €100,000 Mallow Premier Handicap with Gleneagle Bay.

HOW IT WORKS

The syndicate will be divided into 40 shares of 2.5% each and each shareholder can buy as many shares up to a maximum of 30% or 12 shares. Jagged Edge will race under the name of Shamrock Thoroughbreds and a WhatsApp Group will be setup to enhance communication purposes between syndicate manager/trainer Stephen Thorne and each of the 40 shareholders.

PLAN

The plan with Sindagan is to give him a Winter break with the aim of putting him back into full training in early January and preparing him for all the major 7f Premier Handicaps next season. His main targets will include the €100,000 Mallow Handicap at Cork, €110,000 Ahonoora Handicap at the Galway Festival and the €150,000 Sovereign Path Handicap at Leopardstown on Irish Champions Weekend.

DIVIDENDS AND AGM

Each shareholder will receive a statement of accounts at the end of the 12-month term and any prizemoney earned will be divided among each shareholder at the end of the term, the 31st October 2027.

There will be a Shareholder's discussion in early October 2027 to decide if the horse is sold via public auction or put back into training for another 6 or 12-month period.

COSTS

The cost of purchase for each 2.5% share is €2,700. This includes the sales purchase price (€85,000 Euros), 6% Goffs sales commission, 5% agent commission, 4.8% VAT, vettings/ blood analysis completed at the sale and transport to Stephen Thorne Racing.

The total training fees, mortality insurance for 12 months, veterinary fees and HRI account funds for a 2.5% share until 31st October 2027 is €875 euros and those costs are listed below.
